(ENDED) Science Summer Day Camp Giveaway

I know that this is going to be a limited giveaway for you guys but this is such an awesome opportunity I just had to offer it to one of my readers. [Champions](#) offers summer [science adventure day camps](#) for children grades 1-6. There are four awesome camps to choose from:

- [Gizmo's Robot Factory](#)
- [Space and Rocketry](#)
- [Powerful Planet](#)
- [Fabulous Physics Challenge](#)

Champions science camps offers your child an engaging and educational hands-on science program that will encourage your child to participate and get involved. There are multi-day projects such as constructing a robot, building and launching model rockets and engineering an electric race car.

This giveaway is for a half-day program (9am to 12 noon) and offers 10 lessons for the week. They also offer small group instruction and experienced educators. Along with the wonderful memories that your child will make they also get a camp visor to keep.

Before entering this giveaway please make sure to check and see if there is a [camp location](#) in the area of the child you are entering for. Be sure to click on 'Science Adventures Summer Camp' and then click on the *state*. This will show you if and what programs that are available near the child.

This is such an awesome opportunity for one lucky child. I wish my kids were old enough. Next year!

Prize:

1 lucky reader will win one half day camp adventure (approx value \$194.00) from [Champions!!!](#)

Main Entry:

Check out [Champions Summer Science Camps](#), then come back here and tell us which camp you would pick.

Extra Entries:

1. Subscribe to my email updates – 2 entries
