

CHAMPIONS

CHECK IN AND OUT FASTER

WITH THE DISCOVER CHAMPIONS APP

Download the app or use an on-site kiosk.

How It Works:

- STEP 1:** Open the app and tap the QR icon (top right corner), then scan the QR code at your site's kiosk. Or skip the app and enter your 4-digit PIN directly on the kiosk screen.
- STEP 2:** Select which child(ren) you're checking in or out. You'll see a green checkmark next to each child you select.
- STEP 3:** Tap SUBMIT and you're done! Your child is checked in or out.

Don't have your PIN?

Ask your site director to resend your account activation email.

The Discover Champions App gives you more than just check-in and check-out. You can manage your payments, set up Autopay, message your site directly, and more.

First time? Activate your account using the email from Discover Champions, create your password, and note your 4-digit PIN. Then download the app from the App Store or Google Play.

Download Google Play + Apple Store

Tip: Make sure your device's camera permissions are enabled.
