

CHAMPIONS®

HOW TO REGISTER FOR BACK TO SCHOOL

Use this guide to register your child for Champions® programs for the upcoming '26-'27 school year—before and after school. You must complete registration on the website, not in the app.

There are two ways to register:

1. New to Champions or Enrolling at a New Site

If you are attending a new Champions site, search for a nearby Champions location and complete a new registration for that site. Make sure to use the same email address for all Champions registrations so your accounts can be linked. You can use Switch Communities in the portal to move between locations.

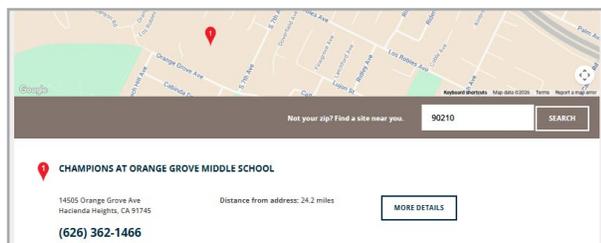

2. Already Registered at Champions at Your School's Site

If your child is already enrolled at a Champions location, sign in to your existing account to add new program(s) to your child's schedule.

OPTION 1: NEW TO CHAMPIONS OR ENROLLING AT A NEW SITE

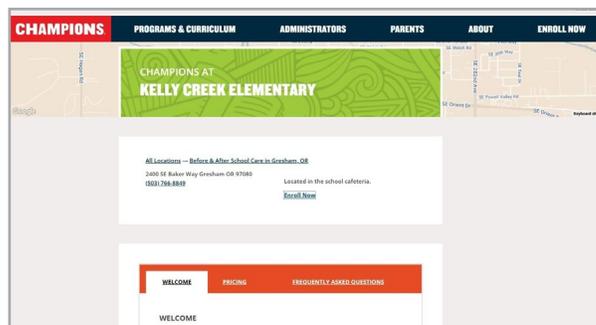

STEP 1:

Go to DiscoverChampions.com, search by ZIP code, then choose the site where you want to attend.

STEP 2:

Click "Enroll Now."

STEP 3:

Enter your child's information.
Click **"Continue."**

STEP 4:

Fill in parent/guardian information. Select the Primary Caregiver. Click **"Continue."**

NOTE: If you already are registered at another site, you must enter the same email address for your **Discover Champions** accounts to be linked.

NOTE: If you encounter a **"This email is already in use"** message, you'll need to sign in to your my.discoverchampions.momentpath.com account directly to enroll in additional programs and follow the steps for Option 2: Already Registered at Champions.
