HOW TO REGISTER FOR SUMMER CHAMP CAMP

Use this guide to register your child for summer Champ Camp.* Registration must be completed on the website, not in the app.

THERE ARE TWO WAYS TO REGISTER:

1. New to Champions® or Enrolling at a New Site

If your current location does not offer summer camp, search for a nearby Champions location that does and complete a new registration for that site. Make sure to use the same email address for all Champions registrations so your accounts can be linked. You can use Switch Communities in the portal to move between locations.

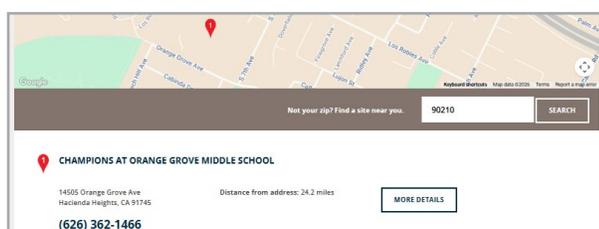

2. Already Registered at Champions at the Summer Site

If your child is already enrolled at a Champions location that offers summer camp, sign in to your existing account to add summer camp to your child's schedule.
