HOW TO ACTIVATE YOUR ACCOUNT

This guide helps you activate your **Discover Champions™** account using your activation email. This can only be done on the website, not in the app.

- You'll need your activation email to get started. If you don't see it, check your spam or junk folder.
- Still missing it? Reach out to your site director and ask them to resend it.

STEP-BY-STEP INSTRUCTIONS

STEP 1: Open your activation email from **Discover Champions**.

STEP 2: Click the activation link.

STEP 3: Create your password, then sign in.

STEP 4: Choose how you want to access your account.

- From your phone: Download the **Discover Champions** app (iPhone or Android).
- From your computer: Go to my.discoverchampions.momentpath.com.

TROUBLESHOOTING

Don't see your activation email? Check your spam folder first.

Can't sign in? Make sure there are no extra spaces after your email address when you type it in.

Waiting for your PIN code? After activation, you'll get a separate email with your four-digit PIN code. Keep this handy! You'll use it to check your child in and out.
